Dear Mr. Blubaugh:

Thank you for leading us on an inspection tour of reclamation work at the Cane Creek Mine on May 16, 1984. We are pleased at your prompt response to our request that the site be reclaimed.

I found the reclamation work of sealing mine portals, eliminating the access road, reseeding, and removing trash and debris to satisfy requirements of the of the Division of State Lands and Forestry in this matter.

Sincerely yours,

JOHN T. BLAKE
